**LEPC Meeting Minutes, August 8, 2019**

The meeting of the Bradley County Local Emergency Planning Committee (LEPC) was called to order on August 8, 2019 at 8:00 AM by Curtis Cline, LEPC Chairman. The meeting was attended by approximately 23+ attendees representing Bradley County industry, EMA, various Bradley County, and Cleveland City staff. A sign-in roster is available. Refreshments were provided by ServPro Inc.

**Reading and Approval of Minutes/Updates:**

Curtis Cline, LEPC Chairman welcomed committee members to the meeting. Mr. Cline mentioned the minutes were published on the LPEC Website. The committee approved the minutes.

Mr. Cline presented the new By-Laws for a vote. The committee approved the new By-Laws.

Mr. Cline noted that many of the email invites were rejected. He asked everyone there to please send us an updated email if they change. He also noted we would address the Executive Committee members at the next meeting.

Scott Gregory, with ServPro, presented:

1. Emergency Recovery Plan – ServPro offers to help prepare a recovery plan for organizations at no charge.
2. Matterport 3D Building mapping – a new technology that give a 3 dimensional view and walkthrough capability of a facility.

Mr. Cline concluded the official meeting and invited all to host the LEPC meeting at their facility with a tour and/or let us know about a topic or project you would be interested in. LEPC is always open to having your organization present a topic of interest to the group. If you would like to offer a suggestion, contact Curtis Cline at (423) 464-0223
